Trudy & the Kojima-Hooke ohana; Sorry to learn of Art's passing, Had the pleasure of working with him briefly while at the older GTE Hawaiian Tel days, appreciated his patience & amiable demeanor, a quality that is not as prevalent in these times. For that & the person that he was, he'll be missed. I also did participate in the Kohala ECC cutover that you were involved in, more pleasant memories. You folks take care of one another, our thoughts are with you. Noel Kagoshima
