Taryn Sagapolu lit a candle in honor of Robert.

I miss Uncle Robert's jokes that would make everyone laugh until they hurt. Uncle Robert always has a smile on his face and his mustache. Everyone really loves him and it is sad to see him gone.

Hey Chimu,Its Chamu. I'm here at work thinking of Robert and just googled his obit.'s and found this tribute page. Omg I know we never really spent much time with Robert during his last few days but he is truly gonna be missed. His kind and loving heart is what makes him such a wonderful person. Growing up knowing his ways also makes me a better person learning that what ever people think or make of you, you do the best at what your where asked to do. Please know that I am there for you my sister. I will always be there no matter what. I'm right down the street of you so don't hesitate to call me. Even if you like just talk story, I'm just a phone call away. Love you so much my sister. Keep in touch. Chamu...
