To Jonah & Family, Burgz will be missed by everyone who knew her. She was kindhearted, loving, funny and wonderful. I feel blessed she was in my life.

Dear Burgz, I first met you when you were in High School and working in the hardware store in Kaneohe, and I liked you right away. I got to know you through your paddling and being friends with my sons. I easily grew to love you. I will always love you. You are my like a daughter to me, and the mother of two of my grandchildren, Liko and Jonah. I will miss you so much, but you will forever be in my heart. Rest in peace. You are my hero. You fought a long hard health battle with health issues, but you always had a bright light in your heart which you shared with everyone. Aloha my dear lady.

Oh dear Burgundy, I miss you so. When Mana heard he said he had just been thinking about you. We were so blessed to have all that time soaking up your sweetness last year. Your courage and strength to endure all the challenges over the year, you were still so light hearted and sweet, a true example of how to overcome. I loved laughing for all the hours together with Ronelle on the back porch. I'm sad I cannot hug you and laugh with you, but I know you are in the arms of angels now, feeling vibrant and whole in a much better place with a stronger body, and even more joy than you could have imagined. Mana and I love you to the afterlife and back. You will be so very missed. Aloha for eternity, Angela
