Nanette Kalouris lit a candle in honor of Damien.

I feel so blessed that I got to know Damien, what a special kind soul and fabulous massage therapist. I come to Oahu a couple of times a year and always looked forward to my sessions with Damien. My heart is broken and I send prayers of sympathy and peace to Damien's family and loved ones. He will always hold a place in my heart. I know through the years he had grown and life wasn't easy for him at times. He was a true warrior in my mind and I'm so happy our souls touched. I came to him last year with hip pain that was stopping me from walking much, he worked and stretched it and we were both shocked how my whole body shifted into alignment. He was special and I will think of him with love, for the rest of my life. Nanette
