Marcelino Cudal

FEB 27, 2026 - MAR 13, 2026

Marcelino Cudal, better known as “Masa” to his family and friends, was called home on Friday, March 13, 2026. He was born on February 27, 1930, on the island of Maui, the third of four children.

At a young age, Masa moved to O‘ahu, where he made Kalihi his home. He graduated from Farrington High School, Class of 1949, and briefly served in the National Guard.

Masa was a dedicated and hardworking man who spent over 60 years working. He began at a very young age shining shoes and continued his strong work ethic throughout his life, eventually retiring from Tripler Army Medical Center and Liberty House, which later became Macy’s.

After a long day’s work, rain or shine, Masa could often be found swimming at Ala Moana Beach Park, where he built friendships with lifeguards and regulars alike. He enjoyed simple pleasures, stopping to shop for good deals, spending time in his yard, and relaxing at home with a Natural Light beer while watching boxing, WWE, or MMA.

Masa was known for being hardworking, humble, and deeply proud of his family and life.

He is survived by his son, Randy Cudal; daughters, Carolyn Cudal and Janice Basque; and his grandchildren: Shane Cudal, Darryl Cudal, Chantel Cudal-Gomes, Brandon Basque, Jamie Cabuyadao, Amber Cabuyadao, Brandie Basque, Don Cabuyadao Jr., Kimberly Florendo, and Brian Cabuyadao. He also leaves behind numerous great-grandchildren, great-great-grandchildren, and his sister, Monica “Moning” Bartolome.

Masa was loved by many, and his memory will forever be held close in our hearts.

I went home last June 2025 to honor my dad and visited Papa. For those who knew him knows that he made many wood carvings and he had a great display up in the house - He loved to tell me about all the different ones he made everytime I visited. On this trip, he gave me a piece that he finished the day before my dad was born. I told him that I'd bring it home and put it next to the picture of my dad. To honor Papa, I will now share the story of the wood carving with those who visit my home - how meaningful it is and about the man who created it. Papa was a humble and simple man; He lived a great life; He will be missed by many but I know that he's back with Mama and my dad - They'll forever be my angels. ☐☐Love you always Papa!- Amber
