Miss_Blue - Hello You've got a such a unique way of taking photos, what you do is you capture the beauty of the moment that is what being a photographer is about and very rarely you find such amazing people to take such nice pics of the amazing day. Well done man ur too sick. Your coming to my wedding as soon as I find a groom lol Inshallah##imported-begin##Neetu##imported-end##

- Snapz, From start to finish, it was a pleasure having you as our wedding photographer. Everyone always asks who took our wonderful shots by the Clifton Suspension Bridge you knew just how to capture the moments throughout both days, and I wish you all the best in the future.. the thing I love about your work, is that you just get better and better!! GO SNAPZ!##imported-begin##Mauricio##imported-end##
