**Anonymous** posted:

I just finished reading my Jan 2007 issue of Wired and thought of you guys. It's an issue devoted to The Science of Human Enhancement and there's an article on Dean Karnazes and his 12 secrets to his success. Yeah, it's a tech mag but this issue was devoted to el cuerpo humano. I know it's 12:55am but I'm at work and this is what I'm doing while waiting for a really late flight, reading. still got over an hour to wait, guess I'll watch tv now##imported-begin##Radu##imported-end##
