“ In this day of social media it is sometimes easy to find old friends. I googled Duke's name because I was thinking of him, and up popped his obituary. How sad, he was only 70. I lived with Duke and his former wife Karilon, in the Bay Area when I was newly divorced and struggling. I had great times camping with the Duke, and he made us some great meals. I am so sorry I never got to see him again. Mahalo my brother. Chris Valdez
