

Jane Valerie Cohen Tyndzik

July 8, 1955 - October 27, 2014

Janie had an amazing zest for life! She was not only very artistic but also loved the outdoors. She expressed her artistic side through poetry, creating ceramic sculptures, and she played the violin in her youth. An outdoor enthusiast, Janie could be found scuba diving, windsurfing, sailing on the boat off the coast of Guam and Hawaii, or hiking with her beloved children and dogs in tow.

Always there to support her children, Janie could often be found on Hawaii's beautiful beaches, filming both of her sons as they surfed some of the most challenging waves in the world.

She was a highly spirited red head, as some of her friends would say, and yet she also had a very loving and calming manner about her that people were drawn to. Janie was always there for those in need and was especially devoted to her boys and her daughter.

She was born and raised in California, and then took off to live the "island life" in her twenties, first living in Guam for eight years and then in Hawaii. As a real estate broker, Janie enjoyed finding the best deals for her clients, who often became some of her closest friends after having worked with her.

Janie passed away on October 27, 2014, in Honolulu, Hawaii, surrounded by her family. Janie leaves behind her daughter Amber, her sons Evyn and Kailon, as well as her mother Leatrice Cohen, step-mother Elsie Cohen, her sister Melinda Swavely and brother-in-law, Dan Swavely; her two stepbrothers, two nephews, two uncles, aunts, and cousins.

Funeral services and interment were held at The Valley of the Temples, on the Windward side of Oahu, on October 31, 2014. Donations can be made in her honor, to The American

Cancer Society as well as Child and Family Service, (CFS).

Jane V Tyndzik

loved her children Amber, Evyn and Kailon like no mother I have ever seen, she also took on any child that needed food and a home, she was a most giving person.

Adventitious with sailing and scuba around tropic islands though an accomplished para legal she was a true writer and photographer, stories that revealed her intelligent perspective with a sweet scene of wonderment.

With her husband of 20 years she experienced the rebuilding of the famous sailing yacht Kathleen Gellett now at Australia national maritime museum to travel to China, Australia, and islands of Indonesia, Polynesia, Melanesia and Micronesia Guam.

She was active professional in Hawaii real estate for 25 years and was on the board of a large LA engineering co. for 30 yrs

She always had that can-do attitude

On Kauai the kids at school had not one computer when she asked the teacher could she help Jane went to work!

To the teachers utter amazement Jane got computers next thing you know there is a computer room for all

No playground at the thirty-year-old elementary school

She got together with others

40 thousand grant and donations with local help in a few months a new playground was installed.

Her most admirable trait was her love and respect for family thus was always a class act with high morals and values and for me that made her stand out in a crowd she, even under pressure showed a grace and dignity that was regal.

We all truly miss her and think of her every day, her picture on my dashboard.

This year I placed shells at her grave, "the shells that were collected by Jane and had saved in a jar for thirty years"

Because in thirty I can't remember seeing Jane more at rest and peace with her world than the hours we spent in a muse just looking at the shells that wash up on that tropical beach

Love you Jane

“ I am saddened to find out today the passing of Jane ...I will cherish the great times we always had when I lived in Hawaii My prayers go out to her family which she greatly cherished...She always called me" Aunt V-Don" from when I watched Evyn as an infant until the age of 5 when I moved back to Conn. We had happy times going to garage sales every Saturday You are a friend I will never forget and you will live in my heart forever

Aloha Jane
Love

“ Tears are streaming. I only found out today while trying to nail down Janie's home address to send a holiday card.

Jane was one of the most beautiful souls I have ever known, and she was a rock only a few months back when I needed to speak to someone whose judgment I trust. What a horrible, terrible loss. The love she had for her boys, Amber, and everyone knew no bounds. You are so very missed, Jane. Aloha, dear friend.
